"SULPHOLINE LOTION."

AN External Means of CURING SKIN
DISEASES. There is scarcely any
eruption but will yield to "Sulpholine" in a
few days, and commence to fade away, even
if it seems past cure. Ordinary pimples,
redness, blotches, scurf, roughness, vanish
as if by magic; whilst old, enduring skin
disorders, that have plagued the sufferer for
years, however deeply rooted they may
be, "Sulpholine" will successfully attack
them. It destroys the animalcule which
cause these unsightly, irritable, painful
affections, and always produces a clear,
healthy, natural condition of the skin.

"Sulpholine" is made up by J. PIERRE &
Co., London. Made only by J. PIERRE &
Co., London.

To-day is the eighty-seventh anniversary of the birth of William, Emperor of Germany, he having been born in the year 1797. The men-of-war in harbour dressed ship in honor of the occasion and fired the usual salvo at noon. We understand that the members of the German community among us will, as has been their wont for years past, celebrate this auspicious event in their usual hospitable and convivial manner at the Club Germania, this evening.

We are informed that, with reference to the application for indemnity made by the members of the Police force who lost their personal effects in the fire which destroyed the Police Hulk on the 26th ult., an intimation from the Executive Council has been received to the effect that no private claims for compensation will be entertained, but that all Government property destroyed will be replaced. This seems rather hard on the men who lost all their things while attempting to save Government property. Of course the administration will make good its own losses as it is only transferring the money from one pocket to the other.

The following is the 'Order of the Day' for the meeting of the Legislative Council on Wednesday next:—

1. The Attorney General to move the second reading of a Bill, entitled 'The Opium Ordinance, 1884.'
2. The Attorney General to move that the Council go into Committee on the Bill entitled 'The Medical Registration Ordinance, 1884.'
3. The Attorney General to move the second reading of the following Bill:—
A Bill entitled 'An Ordinance for the naturalization of William Dobereck.'
4. The Honorable Wong Shing to ask whether it is the intention of the Government to bring in, this Session, a Bill for the more stringent repression of public gambling.

THERE were only two cases of any interest brought before the Police magistrates to-day. In the first of these an old offender, of the hawker persuasion, was charged with robbing, with violence, from the person of a trader just arrived from Penang. The theft was perpetrated on the Prawn Central, at 5.30 p.m. yesterday, in broad daylight, in fact, and in the presence of two complainant's friends who had also landed that day from a steamer from Penang. The defendant was assisted by three or four other men, one of whom caught the victim by the heels, while two others seized his arms, the defendant paying his attention to three gold rings on the complainant's fingers and some silver dollars in his purse. A knife was used on the poor man's wrist to make him give up his hold of the purse, which was cut open and two dollars extracted. Complainant's friends had meanwhile summoned the police, and the defendant was caught red-handed. The rings and dollars had, however, been handed over to one of the accomplices who escaped with them. Though the defendant was only twenty-five years of age, four previous convictions for larceny, &c., were proved against him, and the two magistrates together sentenced the culprit to two years' hard labour.

The other case was one in which a Chinese widow from Canton was charged with buying an Annamite girl of 15 years of age for purposes of prostitution, and a Chinese seaman named Chan Alum was charged with unlawfully bringing the girl into the Colony.

Mr Wilson appeared on behalf of the second defendant in the case, which was remanded till the 26th instant, bail being refused.

SIR HARRY PARKES has been appointed to represent Her Majesty at the Court of Seoul as well as that of Peking. We may conclude, therefore, that the treaty with Korea has been ratified, and Sir Harry will present the ratification as well as his credentials to the Korean Government some time in May or June. The news of the appointment will be received with satisfaction by Sir Harry's many friends in the East, and will further have the effect of removing all doubts as to Korea's national status in Great Britain's eyes.—*Japan Mail.*

'CONVERSATION DINNER CARDS,' just now fashionable in New York, have been tried and found wanting in this country a year or two since. They consist of two cards folded together, and tied with a ribbon, with the name of the guest on one side, and that of the hostess on the reverse. On untying the ribbon and opening the cards a subject for conversation is found written inside, and on this topic the gentlemen and the lady took down to dinner are expected to talk.

GENERAL Van Buren, the United States Consul General at Yokohama, has instituted an action for slander against Mr Thomas H. Tripler of Yokohama. \$5,000 damages are claimed. The case was practically heard on March 13th before the United States Minister, the Hon. J. A. Bingham, but judgment was postponed for a few days to enable the Court to consult certain authorities on a point raised by the defendant's counsel. The slanderous statement is alleged to have been made at the Yokohama United Club on the 31st December, and was set out by the plaintiff in his petition as follows:—
"He (the plaintiff meaning) went to the Kencho and in an underhand manner got them (the Japanese authorities meaning

to sell him (the plaintiff meaning) 'the Consular buildings' (meaning that the plaintiff, in an unfair and improper manner, that is by unfair and improper statements, or representations, induced the Japanese authorities to sell to him—the said plaintiff—the building occupied by the offices of the United States Consulate-General, and for the use of the Court and jail attached thereto, 'for twenty-two hundred yen.' "He (the plaintiff meaning) 'had no right to buy 'them' (meaning the consular buildings) at all. It is contrary to law' (meaning that the plaintiff in making such alleged purchase, had violated law). "He has availed the government' (meaning that the plaintiff, in making such alleged purchase, had introduced the Government of the United States, of which plaintiff was and is an official, and that the plaintiff had been thereby guilty of a criminal offence). "The Department of State has been informed of it, but has taken no notice: and when he goes we will get him out" (meaning that an accusation has been prepared by defendant or some other person accusing the plaintiff of the alleged act on his part heretofore referred to, and acted on to the Department of State of the United States of America at Washington, of which said department had taken no notice whatever; but that the Honorable F. T. Frelinghuysen, Secretary of State of the United States, would before long, cease to continue in that office, and some other person would become Secretary of State, and that then the plaintiff should be deprived of his official position through the efforts of the defendant and others assisting him.)

In his reply the defendant stated:—
"That the said defendant denies that he spoke and published or caused to be spoken and published or caused to be published in the petition set forth or any of them, and says that he is innocent of the grievances alleged in the said petition."
The said defendant further says that some time during last year he wrote and sent a letter to the Hon. Secretary of State of the United States, at Washington, D.C., U.S. of America, of a consular building, and that the plaintiff should be deprived of his official position through the efforts of the defendant and others assisting him."

The said defendant further says that he admits that he, on or about the time of the alleged grievance set forth in the petition of the plaintiff, in the said letter to the Hon. Secretary of State aforesaid, did criticize the acts of the plaintiff as such Consul General aforesaid, and that he, the said defendant, as a citizen of the United States, resident of Japan, may and might justly and properly criticize the acts of said plaintiff as an official of the United States, believing in the said defendant then and still believes, that it was true that the said acts, namely, the purchase of the before-mentioned Consular premises and buildings by the said plaintiff as Consul-General aforesaid, were committed by him, the said plaintiff, and that the same were improper, and that it was for the interest and benefit of the people of the United States that the same should be made known.

'THE BUFFS' ATHLETIC SPORTS.
Managing Committee:—Major Gleson, Captain Somerset, Lieut. Jerratt, Lieut. Daugherty.

Stewards:—Lieut. Colonel Robson, Major Howarth, Capt. Chippindall.
Sub-Committee:—Sergeant Major Gleson, Colour Sergeant Harris, Colour Sergeant Gilles, Clerk of the Course, Capt. Somerset, Judge, Major Howarth, Starter, Lieut. Bucknery.

The 'Grand old Buffs' held their annual athletic sports to-day, on the Cricket Ground. This year their efforts in this line were much less ambitious than they were last year, on what account we do not know. Probably the weather experienced last year discouraged the committee as much as anything. Under the best of atmospheric conditions, athletic sports at the Happy Valley, while that place remains in its present state, will never prove half so attractive as they do on the well kept and suitably located Cricket Ground. From a three days' carnival last year, the sports this year were confined to one day's programme. The powers that regulate the rain and sunshine were again engaged in a conflict, and it was a struggle from more till dusk as to who would gain the mastery. On the whole the sunshine, though it never seemed in actually breaking through the clouds, had the best of the struggle, for which competitors and spectators were alike truly thankful. Once, in the afternoon, it looked as if the rains were to be copious, but by and bye the clouds cleared off, and with them, the rain. There was not the same brilliant gathering of ladies in the stand this afternoon, and hardly so many of the male section of the community present, as there were last Saturday at the Amateur Athletic Sports. There was, however, a fairly good attendance. Among those present we noticed His Excellency Sir George Bowen, the Misses Bowen, His Excellency Major General Sargent, His Sargent, the Hon. W. H. Marsell, and others. The various events were contested throughout with great spirit, the men, from the oldest veteran down to the youngest recruit, entering into the sport with great gusto. The only performances worth special notice are those of Drum Major Gleson, whose times in the 100 yards and quarter mile race are remarkably good, considering the extremely heavy sudden state of the ground. In the tug of war, Regiment versus All Comers, the 'Buffs' were completely put off it. In point of physique they were inferior to all the other teams competing except the volunteers, who we think they could have beaten easily.

The arrangements were admirably carried out by the gentlemen who were entrusted with their performance. During the afternoon, the proceedings were pleasantly enlivened by the splendid band of the Regiment, under the leadership of Bandmaster Quinn.

The following is a report of the various events:—
1.—PUTTING THE SHOT (10 lbs. weight), with a follow. First prize, \$2, 15 marks; second prize, \$1, 5 marks.
Colour Serg. Gilles, Drum Major Gleson, and Ptes. Hodges, Jarvis, Connolly, Brennan, Nevills and Humphreys competed.

than Jackson's throw (without a follow) in the Amateur competition on Saturday last.
